COOKIE POLICY

U CITY PUBLIC COMPANY LIMITED

Apart from service receivers' privacy policy, **U City Public Company Limited** (the "**Company**", "**we**", "**us**", or "**our**") recognizes the importance of the protection of your personal data. Your personal data will be shared with the Company during your use of our channels to help us and our business understand and offer the best experience according to your needs.

We use cookies and similar technology for the collection, use and/or discloser of data as part of our business as described in this cookie policy (the "**Cookie Policy**"), with websites, mobile applications, social networks, online communication channels, and other channels to collect your personal data.

Our Cookie Policy may be adjusted and/or updated which we will provide additional notification if there is a significant adjustment and/or update. The latest policy will be published on the top of cookie policies. We encourage you to thoroughly read this Cookie Policy and review a policy regarding adjustment and/or update which may occur according to this Cookie Policy.

1.   What cookies are and why our Company uses cookies

Cookies are small pieces of data or text on your computer which will be used for collecting and tracking activities on website, analysing trends according to the purpose of website administration, tracking user's browsing activity, or collecting user's setting when you access a website. Some of the cookies are essential as they are used for supporting normal function of the website. Cookies help us to understand your browsing activity on the website, in addition, they also help us to be able to improve browsing experience, and to better improve content to respond to your needs on our website. Moreover, Cookies can also remember username and language setting.

2.   Which types of cookies are used by the Company

We use our cookies and third party's cookies for different purposes as shown below:

Category	Cookie name	Description	Purpose	Expiry
Strictly Necessary Cookies	u_city_pcl_session	This cookie is necessary for you to browse and use several features on our website, such as, accessing safe space on our website. We use strictly necessary cookies to ensure that our digital services provide basic functions correctly and perfectly and use security cookies so that you can interact with us more quickly and securely. This cookie will help specify and protect security risks which might occur.	This session cookie on a platform is used by website engine for general purpose, usually for maintaining an anonymized user session.	1 day.
	XSRF-TOKEN	This cookie is necessary for you to browse and use several features on our website, such as, accessing safe space on our website. We use strictly necessary cookies to ensure that our digital services provide the basic functions correctly and perfectly and use security cookies so that you can interact with us more quickly and securely. This cookie will help specify and protect security risks which may occur.	This cookie is written to increase website's security in preventing Cross-Site Request Forgery attacks.	Expires after a browsing session (i.e., when a web browser is closed).

Category	Cookie name	Description	Purpose	Expiry
Performance Cookies	_ga, _gat, _gid	We use performance cookies to calculate frequency and pattern of your visits to our website, such as your most visited page. We use these data to improve efficiency of the website and user experience.	This cookie is associated with GoogleUniversal Analytics – which is Google's commonly used analytics service. This cookie can distinguish each user by assigning randomly generated identification numbers to users. These numbers will be associated with every request to access various website and used to calculate number of visitors, session and campaign data for the website's analytics reports.	_ga expires after 2 years, _gat and _gid expires after 1 day.

3.   How you can control cookie

Most web browsers will allow you to choose whether to accept the use of cookies. If you reject, delete or block cookies, it may affect your user experience. Without cookies, you may not be able to partially or entirely use features or functions of the website, or use of some functions may be limited. If you do not reject cookies, the system will use cookies as explained above when you access our website. If you wish to delete cookies, or change your mind, you could change your setting on your web browser.
